To whom it may concern,

Ref: - Export Assist Programme
Sep - Nov 2008

Jeff Hardman of Barnhill Marketing with Ann Catrin Evans- Sculptor.

It has been so beneficial to my business to have this support from Jeff. It has come at exactly the right time when I needed assistance to focus on my foreign contacts and work on turning the interest into potential sales.

I would highly recommend Jeff who has been great at providing manageable tailor made solutions for my business, and in a very positive and approachable manner. I would be very interested if this scheme were to be available again. A follow on programme would be useful to further the commitment I have to improve my export sales.

I would like to thank Jeff, and I hope we work together again sometime in the future.

Best wishes

Yours sincerely

Ann Catrin
